Combined reference edition reconstructed from Creighton University's official 2025-2026 CDS section PDFs (A-J).

Item	Response
Institution	Creighton University
CDS cycle	2025-2026
Sections	A through J
Original publication format	Separate official PDFs by section

This file combines the substantive reported values from Creighton's latest Common Data Set into a single searchable PDF. Long CDS instructions and definitions are condensed. Blank fields are shown as em dashes or "Not reported." Checkbox-only items are included when the selection is unambiguous from the public PDF rendering/text layer.

This is a convenience reconstruction, not an official Creighton-issued merged PDF. The official individual PDFs remain the authoritative source.
