Common Data Set 2025-2026

Clean PDF compilation of the current IU Common Data Set webpage

Source page	https://iuapps.iu.edu/cds/
Institution	Indiana University Bloomington
Reporting cycle	2025-2026 (Fall 2025 enrollment/admissions where applicable)
Compiled	August 20, 2026

This document reformats institution-specific Common Data Set information into a printable reference. The IU CDS application presents sections separately; this compilation brings the main institutional responses and data tables together in one file. Where the live CDS interface was truncated in text retrieval, current IU/IPEDS supporting pages were used to confirm the same reporting-cycle figures.
